

# Bull in a china shop

## The action cards

Play with the basic rules with the following additions.

### **Additional material**

14 action cards (6 sorts)

### **Preparation**

The pass cards are not needed, remove them from the game.

Shuffle the new action cards.

Each player gets two and keeps them secret from the others.

Make a draw pile from the rest.

### **Game play**

On each player's turn, they may either:

Buy a china card *or*

Take a bull card *or*

Play an action card

### **Play an action card**

The player plays an action card (=> discard pile) and fulfills the action, **if he likes**.

Then the next player has his turn.

### **Action card pile exhausted**

Shuffle the discard pile and build a new draw pile.

### **Loose more than one china card**

The player gets the money card as usual and an additional action card from the draw pile, if available.

## The action cards

From the left to the right:

- Discard a bull card
- Discard a china card from the general display
- Draw a money card, if available

From the left to the right:

- Exchange an own china card with a card from the general display
- Discard all bull cards and replace them by the same number of new cards
- The player on the right is the next who has his turn
